Metro Louisville officers work diligently to prevent you from becoming the victim of a theft from your automobile; however, they need your help in eliminating EASY OPPORTUNITIES to take your property. Thieves cannot steal what is not there.

1. *Never leave your vehicle unlocked – PERIOD.*
2. *Never leave anything of value – including pocket change – in plain view inside your vehicle.*
3. *Never leave a GARAGE DOOR OPENER in your vehicle – THIS IS A KEY TO YOUR HOME.*
4. *Never assume that because your vehicle is locked and in your driveway that it is safe. THIEVES BREAK WINDOWS.*

REMEMBER: You have worked hard for your laptop computers, GPS Devices, iPods, purses and wallets. Do not make it easy for a thief to take it away from you. THESE ITEMS LEFT IN PLAIN SIGHT ARE CRIMES OF OPPORTUNITY.

For emergencies, call 9-1-1. For non-emergency, police-related matters, call 502-574-7111 or 502-574-2111.

Louisville Dog Ordinance Frequently Asked Questions

Is there a leash law?

Yes.

Is there a pooper scooper law?

Yes, it is the responsibility of all pet owners to carry something at all times in order to clean-up after their pet and to dispose of it in a sanitary manner.

What can be done about barking dogs?

There are three options: If the complainant(s) wants an investigation and agrees to give a statement(s) and their name(s) we will send an officer to conduct a full investigation into the barking complaint. If the complainant doesn't want to "get involved" then we will respond based on history and license. If there haven't been any prior complaints and the dog is licensed, then we will send a letter letting the owner know there has been a complaint along with educational information regarding solutions for the barking problem. If there is a history of complaints and the animal is not licensed, we will send an officer to the address to check for shots and license and to educate the owner.
