When you have questions about issues related to the City of Richlawn, the City website is a great resource. You can check the website for forms to submit changes to the exterior of your Richlawn home, including fence replacement or a new exterior light on your home. All changes made to the exterior of the home should be approved by the City officials. This ensures that our neighbor remains beautiful. The City website is also a good resource if you would like to read previous Minutes from City Commissioner meetings, review upcoming events from The Richlawn Gazette, or even refresh your memory of City Ordinances.

Please visit this wonderful resource the next time you have a question about anything related to our City of Richlawn.

## Police Presence in the City of Richlawn

We had a wonderful visit from Lt. Cabrera (LMPD) at the June 20th Richlawn Commission Meeting. He encouraged the residents of Richlawn to always trust their gut instincts. If something (or someone) seems suspicious, call the police to come and investigate. He assured us that the police will respond and that repetitive crime reports will get their attention. He said that if it is not a criminal or criminal activity, that's ok. The police department would rather us be safe than sorry that we neglected to report suspicious activity in our neighborhood. Lt. Cabrera said to call (502)574-2111 (option 5) for non-emergencies and you will be directed to a dispatcher. For true emergencies, call 911. Let's work together to keep the City of Richlawn a safe place to live!

## Richlawn Spotlight: John and Cassie LaFollette

John and Cassie LaFollette are new neighbors to the City of Richlawn. They moved in on Black Friday (2015) to their pretty home on Gibson Road. They are enjoying the charm and close-knit community of Richlawn that reminds Cassie of her home neighborhood in Cleveland. John and Cassie have a 5 month old son named Charlie. He is a happy little boy who is also enjoying the neighborhood by going for walks in his stroller and sitting on the back porch with his mom and dad. John, a domestic violence prosecutor, met Cassie at Xavier University, where they both attended college. Cassie, also an attorney, loves to go to the Parklands with her family and their dog, Zeke, when they have free time on the weekends. Please make this sweet family feel welcome to our neighborhood by introducing yourself the next time you see them out in the City.

## Richlawn Reminders

- Please remember to fill up your driveway completely before parking on the street in front of you house or in your yard.
- Please pick up after your pets.
- Please...Do NOT Litter!
- Pick up trash that is on your own property to keep our city beautiful!
- Oil leaks from parked cars are damaging City streets. Residents should park in their driveways- again not on grassy areas.
- Please make sure you have the City of Richlawn listed as your city on all auto, home and personal property insurance forms.
